### **ADDENDUM II**

#### **Invitation for Bid #10-9978 Furnish and Install an Audio Visual Presentation System For the Chesterfield County Circuit Courts Building**

This Addendum supplements, modifies, deletes from, or adds to the original Invitation for Bid noted above and all of the requirements of the addendum are herein made a part of the IFB and any resulting contract documents. Please sign and return this addendum to the Purchasing Department, 9901 Lori Road, P. O. Box 51, Chesterfield, VA 23832-0001. **Bids, to include addenda or changes to a response, shall not be accepted via fax machine or by internet e-mail.**

**This Addendum consists of 2 pages.**

**Please make the following changes/clarifications/additions:**

- 1. DUE DATE IS REVISED TO MARCH 15, 2010 AT 2:00 P.M.**
- 2. Page 17, first paragraph, Guarantee and Warranty Service: add sentence “On site response times apply to Monday through Friday, not weekends.”**
- 3. Page 18, delete first paragraph: “The County reserves the right to request a block diagram of one previous project, which is similar in scope, outlining all major and minor system components, describing the integration of both hardware and software required for a complete system prior to award.”**
- 4. Page 22, Courtroom details, section 1 item a, delete: “A Panasonic or equal 50-inch commercial LCD display shall be used as the central display for the courtroom. This display shall be viewable by all participants in the courtroom and shall be located behind the witness stand. This display shall replace the existing 42-inch display. The LCD display shall have a native resolution of 1920 x 1080 and shall display native 1080p HD content.”**

**Replace with: “A Panasonic or equal commercial LCD display shall be used as the central display for the courtroom. This display shall be a minimum of 50 inches and shall replace the existing 42-inch display located behind the witness stand. The LCD display shall have a native resolution of 1920 x 1080 and shall display native 1080p HD content.”**

- 5. Page 22, Courtroom details, section 2 item b, add “Microphones for this project shall be eight inches in height.”**
- 6. Page 23, Section 6, Audio System, add items “c” and “d” as follows:**

- c. **Provide four (4) audio feeds to the clerk's desk for audio recording. Termination of the feeds should match recording equipment (XLR).**
  - d. **Mix-minus is an acceptable solution for the courtroom sound system.**
- 7. **Page 25, Equipment list, second section, Annotation (Allows annotation over video), delete: "Extron or equal Annotation Graphics Processor"**  
**Replace with: "Extron (standard version) or equal Annotation Graphics Processor"**
- 8 **Page 25, Equipment list, third section, Annotation (Touch Screen) Monitors and Pop Up assemblies: Quantity of Monitor Lift, Retro-Fit Kit for E-Trolley Flat Panels is revised from 4 to 3.**
- 9. **Page 26, under Bidder should enclose the following with their bid, item b; delete:**  
**"Operating sequences: Provide a complete written description of the sequence of operation of the system and its relationship to each other's integrated system. Basic block diagrams of all systems should be included."**  
  
**Replace with: "Provide a block diagram of one previous project, which is similar in scope, outlining all major and minor system components, describing the integration of both hardware and software required for a complete audio/visual system."**
- 10. **Page 29, Submittal Checklist, seventh item, delete:**  
  
**"Bidder has enclosed a complete written description of the sequence of operation of the system and its relationship to each other's integrated system including basic block diagrams of all systems."**  
  
**Replace with:**  
  
**"Bidder has enclosed a block diagram of one previous project, which is similar in scope, outlining all major and minor system components, describing the integration of both hardware and software required for a complete audio/visual system"**
